

Direct Flights to Exmouth for GAMEX 2015

Western Australia's premier game fishing tournament GAMEX is an occasion like no other! Recognised by Tourism WA as a major event in Western Australia, the event attracts between 250-300 competitors every year and GAMEX 2015 looks set to be the biggest and best yet!

An opportunity for the whole family, this six-day event is held at the tip of Ningaloo Reef where the desert meets the reef.

This year the Exmouth Game Fishing Club (EGFC) is offering an exciting incentive to visitors from the Karratha region.

The GAMEX Event Committee is taking expressions of interest for seats on a Qantas flight direct from Karratha to Exmouth and return!

This option is perfect for family members and partners of GAMEX participants, workers looking for an alternative for their R&R and a convenient opportunity for tourists seeking a quick get away to Exmouth during the bustling week of GAMEX.

Register your interest now!! Just a short flight from Karratha, the more people who commit, the cheaper the flights will be. So spread the word to your mates and take advantage of this great deal!

GAMEX features a host of exciting events for the whole family, including:

- Social evenings
- Ladies events
- Children's fishing clinics
- Celebrity chefs, showcasing fresh local produce
- Masterclass Cooking Classes
- Fishing talent
- Educational sessions and product information
- Scientific studies

To register your interest, contact secretary@egfc.com.au
